Reading and Approval of Minutes from February Meeting

Minutes Accepted: Y

Motion: Daniel Hines

Second: Dave Gomez

Discussion

- Round table discussion for COVID-19. Department of health announced UW created a new test platform
- If you're sick, stay home
- Lily Terry has sent out emails and posted signs regarding the matter
- Katrina Fuller talked about how to make hand sanitizer, which is $\frac{2}{3}$ 99% isopropyl alcohol and $\frac{1}{3}$ aloe vera gel
- They have asked schools that were going to attend the Science Olympiad that are from the Seattle area not to attend
- If LCC has to close campus they could still keep some courses going
- Janel Skreen stated we have a point of contact with the Department of Health in case we have a documented case in the county

Incident Investigations

- We will look at them online as we are no longer printing them
- When we investigate we determine if the accident was preventable; ie. distractions (slow down, pay attention)
- Regarding the incident on 2/12/2020: If long pants are required, why not long sleeves?
- Student was in a hurry, considered near miss
- Pay attention and slow down
- Biology has lab coats, though Chemistry does not

- Kyle Hammon has talked to Chemistry department regarding this
- Safety committee could make a suggestion to change PPE procedures
- Committee should send recommendations to Dean and VP
- Elizabeth Engel will draft an email and run it by Kyle Hammon and Janel Skreen that lets the Chemistry department know that there should be PPE changes for students (specifically lab coats)

Motion: Rheba Rukkila

Second: Janel Skreen

- Rheba had asked about the burn incident that used the ice pack from the Student center first aid kit. Not sure who sent the person to the food pantry. The food pantry coordinator was told they should contact Security when using the first aid kit
