OUTGOING MAIL

Out going mail includes BULK, First Class, Library Rate, and Certified.

BULK MAIL

Bulk mailing is a powerful tool that can reach a target audience in an inexpensive and timely manner. This viable alternative to first class will keep mailing costs down and afford you a larger outreach.

1. All Bulk mailings must consist of at least 200 pieces of identical material. (The mailing address is the only difference between pieces.)

2. Bulk mailings must be sorted and bundled before they are submitted to the mailroom. Sorting must fall into the following criteria:
 - Sort by zip (**first 5 digits**). There **MUST** be 10 pieces or more in each bundle.
 - If less than 10 pieces to a 5digit zip, then sort the remainder by the first **3 digits** of the zip. (There **MUST** be 10 pieces or more per bundle)
 - If fewer than 10 pieces to a 3 digit zip, then sort the remainder by **state**. (There **MUST** be 10 pieces or more per bundle.)
 - Any remaining pieces, if 10 pieces or more, must be bundled together and called "**mixed state**". (If this last sort doesn't amount to 10 pieces or more, just leave unbundled.)
3. All Bulk Mailings must be accompanied by a completed Bulk Mailing Form when submitted to the Campus Services mailroom. (Forms are available online at: <https://internal.lowercolumbia.edu/employee-tools/forms/>)
4. IT IS MANDATORY to contact the mailroom staff via email (ext. 2272) at least 2 days prior to submitting your mailing for processing.
5. If the mailing is submitted to the mailroom after 11:00 a.m., it may not be processed until the next business day.
6. The Bulk mailing must be prepared and delivered to the mailroom at least 10 days in advance of the date the material is to be in the hands of the target audience.
7. IT IS THE RESPONSIBILITY OF THE DEPARTMENT CHAIRS TO EDIT THE BULK MAILING LISTS ON A QUARTERLY BASIS. Include the 4-digit extension whenever possible.
