

2022 Teamwork Evaluation Report

During the 2021-22 academic year, faculty in academic transfer and professional/technical programs used an online form to submit Teamwork scores for their students, from selected projects and assignments. Here are the results. Please note that scoring is from 1 (low) to 5 (high), based on LCC's [Teamwork rubric](#).

Academic Transfer

Number of artifacts assessed: 140

Teamwork Outcome	Average Score
A) Students will make individual contributions to the team.	3.9
B) Students will facilitate the contributions of team members.	4.3
C) Students will foster a constructive team climate.	4.3
D) Students will respond constructively to conflict.	4.1
Overall Average Score for LCC Key Performance Indicator	4.1

Professional/Technical

Number of artifacts assessed: 158

Teamwork Outcome	Average Score
A) Students will make individual contributions to the team.	4.3
B) Students will facilitate the contributions of team members.	4.2
C) Students will foster a constructive team climate.	4.2
D) Students will respond constructively to conflict.	4.2
Overall Average Score for LCC Key Performance Indicator	4.2
