

CURRICULUM COMMITTEE MEETING

Tamra Bell, Interim Dean

Mindy Boucher, Transitional Studies

Nicole DiGerlando, Language & Literature

Kyle Hammon, Dean of Instructional Programs

Melinda Harbaugh, Associate Dean of Learning Resources

Mary Hebert, Math

Karen Joiner, Chair, Dean of Instruction, Director of Nursing Programs

Corry Kile, Industrial Technology

Pete Livins, Natural Science, Health & Engineering

Tamara Norton, Nursing & Allied Health

Betsy Richard, Humanities Courtney Shah, Social Sciences

Maggie Stuart, Business & Information Technology

ASLCC Student Representative

To: Committee Members Copies to:

From: Karen Joiner Library, Nichole Seroshek
Subject: Minutes from June 7, 2017 Meeting Karla Rivers, Marisa Geier

Date: June 7, 2017 Carmilla Rollins, Dani Trimble, Wendy Hall

Members present: Tamra Bell, Mindy Boucher, Nicole DiGerlando, Kyle Hammon, Melinda Harbaugh, Mary Hebert,

Karen Joiner, Corry Kile, Pete Livins, Tamara Norton, Betsy Richard, Courtney Shah,

and Maggie Stuart

Also Attended: Cameron Castrejon, Dana Cummings, Mark Gaither, Sarah Griffith, Chad Meadors, Heidi Patrick,

David Rosi, Ann Williamson, Fran Nelson, Recorder; and Nicole Buffham

The Curriculum Committee met Wednesday, June 7 at 3 p.m. in HSB 235.

Opening remarks were made by Karen Joiner.

Informational Items:

INFO 1 – HSC 055, Orientation to Career Education Options, 1 cr, 22 lab

"Other Information" amended to read: May be repeated for credit <u>only for students returning to the program after an absence of two or more quarters.</u>

Effective Summer 2017.

INFO 2 – Prof/Tech Distribution List – Natural Science Requirement

Items tabled at the May meeting - CS 170 and DHET 141 will be covered in the following statement:

After discussion and further investigation, DHET 141, MFG 130, TECH 100, and CS 170 have not been approved for the Natural Science Distribution list for Transfer degrees, but are on the restricted list as electives. These have been previously approved as meeting the Prof/Tech Natural Science requirements and will be reflected as such on Prof/Tech program planners as appropriate. Also, DHET 240 will be removed from the Natural Science Distribution list as the intended audience is not a transfer student. It will remain as a restricted elective.

The following AAS program planners will be updated by removing applicable references to Prof/Tech Distribution List and will have specific courses recommended as:

- Accounting Technician
- Administrative Services Manager, CMST& 230 (was SPCH 114), CMST& 220 (was SPCH 110), *
- Advanced Manufacturing Technology, MFG 130, *
- Automotive Technology, TECH 100, *
- Business Management, CMST& 220 (was SPCH 110), *
- Diesel/Heavy Equipment Technology, DHET 240, TECH 100 or MFG 130, *
- Machine Trades, MFG 130, *

*-or 5 credits from the Distribution List for Transfer

Effective Summer2017.

This degree was approved for reinstatement at the February Curriculum meeting. After further assessment of the program in light of budget and personnel/workload considerations and upon further review of the new and more extensive requirements from the NWCCU, Brendan and the Instruction Team have determined that it is not feasible to implement this program as originally anticipated.

Effective Fall 2017.

ffective Fall 2017.		
roposals from Cameron Castre	on:	
A. retire courses	IESL 060, Speaking/Listening	1-5 cr, 11-55 lec

Effective: Fall 2017

Proposals from Ann Williamson: 3 cr, 11 lec, 66 **ECED 261,** Practicum IV/Principles **F.** revise courses ECED 262, Practicum V/Practice workplace ECED 263, Practicum VI/Professionalism (lecture hours, workplace hours, description) Effective Fall 2017 Rationale: Reduce lecture hours to 11 (1 cr) and add 66 Workplace hours (2 cr). Revise description to include "66 hrs of clinical in an approved early childhood setting". Upon registration, students are not aware that the need, in addition to the regularly scheduled class time, is 66 hours of field based experience for this course. Adding this to the description will better clarify the course requirements. Resolution: Courtney made a motion to approve; Kyle seconded. Motion carried. Effective: Fall 2017 **Proposal from Anita Quirk: BUS 201, Business Law** 5 cr, 55 lec G. revise course (outcomes) Effective Fall 2017 Rationale: To heighten the accessibility of course outcomes. Resolution: **Proposals from Dana Cummings:** 45 cr total **H.** new certificate **Entrepreneurship COP** Effective Fall 2017 Rationale: This certificate provides a bridge for transfer students, a specialization for Professional/Technical students and an option for international students. It also provides a pathway for those students with backgrounds that are barriers to employment. This program, in entrepreneurship, will introduce students to the history of entrepreneurship as well as provide foundational information regarding business processes including but not limited to design thinking, an introduction to business, understanding and recording business financial events, as well as understanding basic laws, regulations and governance structures for business. It will provide a framework for measuring outcomes, marketing and idea, soliciting investors, and recognizing business opportunities. This program not only enhances the outcomes for business students and provides a practical understanding of business but it is also complimentary to those students outside of the business realm seeking to establish themselves within a specific industry. The program requirements are in line with established entrepreneurial certificates across the nation. The Accounting, Business Management and Technology Program Advisory Committee were in support of this COP and approved on 5/17/17. **BUS 295**, Design Thinking & Entrepreneurship new course 5 cr, 44 lec, 22 lab Rationale: This course provides the integration of the business concepts, including but not limited to introduction to business, marketing, accounting and management with design concepts as a core component of the COP – Entrepreneurship. Minor rewording of description and outcomes will occur outside of this meeting. Global Skills will reflect "communication" and "critical thinking". Course number will be changed to 290 (tentatively). Resolution: Maggie made a motion to approve with suggested amendments to description, outcomes, global skills, and course number; Courtney seconded. Motion carried. Effective: Fall 2017 Proposals from Randy Byrum presented by Tamra Bell: **J.** revise degree 94 cr total Welding AAS (replace DHET 141 with DHET 240, dist list ref) Rationale: Remove the wording Distribution List for Professional Technical Degrees from Program Planner. Change DHET 141 to DHET 240 under Humanities/Natural Science. Rearrange classes on the planner. K. revise courses WELD 158, Welding Theory and Fabrication 5 cr, 44 lec, 22 lab WELD 221. Wire Machine 10 cr. 55 lec. 110 lab WELD 222, Advanced Wire Machine 6 cr, 22 lec, 88 lab WELD 254, Arc Welding 2-10 cr, 55 lec, 110 lab (prerequisites) Rationale: Change/Drop the Prerequisites for the following classes: WELD 158 change to WELD 151, 254 or instructor permission WELD 221 change to: No prerequisites WELD 222 change to: WELD 221 or instructor permission WELD 254 change to: No prerequisites Resolution: Corry made a motion to approve; Betsy seconded. Motion carried. Effective: Fall 2017
