

# Student Services Council

June 25, 2019 - Meeting Minutes

**Attendees:** Shawnee Randolph, Serena Lampkin, Ian Triana, Donovan Tate, Ale Sanchez, Mikayla Springob, Paz Clearwater, Stacey Sowders, Katie Sully, Byron Ford, Jennifer Houge, Darren Schwegler, Jenny Smith, Marie Boisvert, Crystal Heitz, Jon Killian, Jodi Reid, Laura McBride, Leszek Cromwell, Shannon Vantrease, Shannon Wachob

## Updates:

- One-Stop: After testing moves, construction will begin on the One-Stop (the One-Stop will open late September, early October). Kristy will officially move into the One-Stop Manager position. Shawnee Randolph will move over into the advising position.
  - There will be phases of opening the One-Stop
- Advising/Testing Move: August the department will move to Main
- Advisors Moving: July 1st
- SSC Retreat: August 22 from 3-5pm at Kalama Park

## Department Updates:

- **Registration:** Cycle 2 data validation is going well and will finish July 2nd. Grades were posted today and available online for students. They are working on posting credentials now.
- **International:** Orientation is the first week of July - please say hello when you see them. There will be around 12-13 International students on campus this summer - a larger group than normal.
- **Advising:** Nursing applications are due by Friday, especially as grades are posted.
- **Student Activities:** new furniture is here and it is not as easy to move for events - keep that in mind as it takes Dave a lot longer to move furniture. The focus is on student use as opposed to outside events.
- **Veterans Center:** Connie is taking a new position, she will be the new regional coordinator. From August 1-30th, they are trying to find coverage for the space. If the center is not open, send the student to Leszek in the Counseling Department.
- **EAB:** Data validation is being worked out and EAB is committed to offer high levels of support. There was a meeting between student services and instruction to help find the commonalities and figure out how to work together to move it forward with ctclink.

**Meeting Adjourned**
